As part of the *Catholic Coalition*, our parish will be working on the construction of a **Habitat for Humanity house** in April. Our parish's **work days** are **Saturday, April 10th and Wednesday, April 14th**. The house is located on **Lot 11, on Elvin Drive in Rosewood Subdivision**. **The work day is from 8:00 a.m. until 4:00 p.m.** We presently are short on volunteers for both dates, and would appreciate your help. Even teenagers are welcome if accompanied by an adult. It is a great family project. The work is not difficult, and can actually be fun. Bring a friend! Our volunteers usually have a great time! *Lunch is provided at no cost.* You will get to meet the prospective owners of the home, Estella Ezeunwo and her twin daughters, as they work side by side with the volunteers. Please **call our parish Habitat Coordinator, Tooley Towns**, and offer your help. His phone # is **751-3935**.

Coming This Summer! **SJV's Summer Academic Camps**. Help your child review and enrich those Science, Reading, and Math skills in a fun way. [Click here for more information and to download registration forms.](#)

Parents! Just a quick reminder for you to take a second glance at those uniforms as we get our 4th nine weeks underway! At this time of year it is so easy to let things slide, but we want to remind the students of our expectations for their appearance here at school. We have been seeing some unusual sock and jewelry on some of the children.

Please take a minute and help your child's uniform be in compliance with the SJV regulations.

- Remember that **socks should cover your child's ankles completely** and not be slipping into their shoes.

- Let's not forget that the **skirts should be worn on days we attend church** and both skirts and skorts are to be **no more than 2 inches above the knees**.

•Belts are to be worn at all times for boys which will help keep those shirts tucked in the pants!

•Official SJV school sweatshirts only

•Fleeces are limited to Middle school students (6-8 grades) only

Easter break will be a great time to update the proper school look! As always, we appreciate your support with these expectations as we strive to keep our students looking their best as we finish the school year.
