

SJV Connections **February 9, 2010**

Important Student Drop Off & Pick Up Reminders:

- When picking up students in the afternoon, please use either our walker or carpool dismissal systems rather than waiting along their classroom dismissal route to pick them up.
- Please walk tardy students into the office. Office personnel and administrators have no idea if these students are coming straight from your car to our office or hanging around outside on their own. Walking them in ensures their safety.
- Middle school carpool does not run on rainy mornings. There is no faculty member on duty at that post when it rains. Please use the K-5 carpool on inclement weather mornings.

Congratulations to the following members of the **Math Club** whose relay teams placed in the math tournament held at St. Joseph's last Friday:

Emily Drez's relay team – 1st place
Joey Santoro's relay team – 3rd place
Alex Landry's relay team – 2nd place
Ally Waguespack's relay team – 1st place

Work on the back driveway along O'Neal Lane is complete and the back gate is now open. Please resume regular carpool lineups.
